Membership Guide

Note:

Only for Trial Participants with a Group Membership Code at this time

This document is a short guide on how to register and become a member of the Flight Simulation Engineer and Technician Association (FSETA).

- Visit www.fseta.com and get familiar with the different areas of the website
- Visit the top bar menu, under Services/Documentation, and read the **Membership and Accreditation** document
- Read the **Frequently Asked Questions** on the **About Us** page

Membership Registration Steps

Step 1 - Membership Application

- From www.fseta.com right hand side corner login box select **HERE** link to initiate the registration process
- This will send you to the registration page informing you about Membership Pricing, and Options
- If you wish to obtain an accreditation you need to select '**Technical**' Membership
- If you are joining as a Non Technical Member select the applicable Membership Type
- If provided already by your management or the FSETA enter the **Group Membership Code**
- If you do not have a **Group Membership Code** you will be diverted to the store for payment
- Enter all required Membership details and select '**Register**'
- Your email address will be your '**Username**'
- A confirmation email will be sent to you

Step 2 - Login

- Proceed to login at the www.fseta.com Home page **Quick Login** area on the right side
- Enter your **Username** and **Password** as supplied during membership registration
- You will now be at the **Members Homepage**
- On the right hand side you will find the **Members Access Area**, in this area you can edit your current personal details, and change your password.
- If Technical Membership was selected the '**Enter a New Accreditation**' will be available
